

Teacher/ Facilitator’s assessment sheet for whole class

Class Date

Name of facilitator completing this assessment

Since doing R time I have observed the following:

	✓	✗	Comment
1. Children enjoy R time			
2. There is a more positive attitude to working together			
3. There are fewer squabbles to sort out			
4. There is a greater respect for each other			
5. Children are demonstrating good manners towards each other			
6. Children call each other by their given names other than in R time.			
7. There is a more positive attitude to work in the class			
8. Children openly encourage and praise one another			
9. Children are more comfortable when working in groups			
10. Self-esteem has improved in general			
11. Behaviour has improved			
12. There are wider friendship groups in the class
